## Adult Programmes

The Irish College of English is an established English Language School, with branches in Malahide & Swords, Dublin, Ireland. We offer students the opportunity to improve their English through a variety of General English and Business Courses in a friendly environment.

We cater for all ages and levels and offer a range of classes and programmes. We also arrange host family accommodation in Malahide & Swords, so students have easy access to the school.

We pride ourselves on being a friendly school where individual needs can be met and everyone feels welcome. Our excellent student feedback attests to this.

Recognised by the Department of Education as a year round school for the teaching of English as a Foreign Language, we have built our reputation on excellent tuition, our unequalled friendliness and an awareness of our students' needs. Our teachers are highly qualified and dedicated to ensure tuition of the highest quality. Our students' record of excellence in the Cambridge Exams is a testament to our teaching standards. Our modern facilities include free internet access, Wi-Fi access, a student study area and library. We also have a common area where students can relax, meet other students and enjoy the social aspect of the school.

### English Course

The focus of these courses is on communication through spoken and written English. Our highly qualified teachers set students clear learning objectives and use the best techniques including guided class learning on our E-Learning Portal to provide practice in speaking, writing, listening and reading. Students wishing to sit Cambridge Exams can also be catered for with specific exam preparation. The courses also include an Irish Culture component, which covers Irish language, traditional music, history and culture. All students are awarded a Certificate of Attainment, stating their level of English upon finishing their course.

In addition, all our students receive free access to our E-Learning Portal. This is a self/guided study tool which helps students improve their English skills while attending college and also maintain their level after finishing their course.

### Adult Accommodation Option

Students are placed in the local area within easy reach of the school. Full board is provided with an Irish Host Family. Breakfast, a packed lunch and an evening meal are provided with emphasis on a balanced nutritious diet. Student welfare is our main concern and we choose our families carefully to ensure maximum comfort. In addition, we have a Home Stay Charter in place which clearly sets our standards and our policies concerning all home stays. Students may be placed with other International students thus developing new friendships with people from all over the world.

### Activities

In addition to offering tuition, we encourage students to socialize together and to visit places of cultural interest. We organize social nights and also school tours.
