

Irish College of English Junior Summer Camp 2011

International Youth Summer School 2011 Ages 12-18

The Irish College of English International Youth Summer School takes place every summer from June to August. The camp attracts students from all over the world and it is a great opportunity for students to improve their English and grow to love the language by living it. Students stay with host families within easy reach of the school and attend classes in the mornings and participate in afternoon activities.

With branches in the centre of Malahide & Swords, Dublin, we offer students an exceptional experience. They can generally walk to school from their host families homes and live in the safe environment of friendly towns like Malahide and Swords.

The Youth Programme has been carefully designed to ensure students benefit in full from the enriching programme. Programme Duration

The Irish College of English offers flexible start dates so students can start whenever it is convenient.

Classes

Students are given a placement test on arrival and our academic staff will carefully place students in a class appropriate to their level of English. All our classes have a maximum of 15 students per class, so students have an excellent opportunity to speak and to receive individual attention from their teacher. Our highly qualified teachers are specially chosen for their ability to relate to young people and all progress is carefully monitored. In addition, all our Youth Summer School students are given 1 month's access to our E-Learning Portal and we encourage students to continue their studies through this media after leaving the college. On finishing their course, students are given a Student Exit Report detailing their academic progress and are also awarded a Certificate of Attainment stating their level of English.

Accommodation

Students are placed in the local area within easy reach of the school. Full board is provided with an Irish Host Family. Breakfast, a packed lunch and an evening meal are provided. Student welfare is our main concern and we choose our families carefully to ensure maximum comfort. In addition, we have a Home Stay Charter in place which clearly sets our standards and our policies concerning all home stays. Students may be placed with other International students thus developing new friendships with young people from all over the world.

Student Welfare & Safety

Student welfare is our main concern and every effort is made to ensure an enjoyable and safe stay for everyone. The Irish College of English also offers a 24 hour emergency phone service.

Social, Cultural & Sporting Activities

We advise all students to take out medical insurance prior to departure. All students travelling from EU Countries should bring a European Health Insurance Card with them.
