Award Winning School Established 1992

'Play & Speak' Golf Programme

The Irish College of English has been running adult programmes for over 20 years and has an international reputation for quality service. We run our English and Golf Ireland Packages from our Malahide Branch in Dublin. This package is ideal for golfers wishing to combine a love of golf with an intensive language stay.

Malahide is surrounded by some of Ireland's most famous Golf Courses and offers a wide range of options for golfers of all handicaps and interests. All courses are PGA Standard and English Language Tuition is by Qualified TEFL Teachers making us an ideal choice for golf vacations in Ireland.

Golf: In our Standard 'Speak & Play' Programme, golfers have the opportunity to play Portmarnock Links, Malahide Golf Club and Deer Park Golf Club. These courses are only a 10 minute journey from our centre. Students play rounds of golf with of our golfing team – which is an ideal opportunity for students to converse 'speak' in a natural environment.

Tuition: We offer one-to-one customised tuition. Students are given a needs analysis and level test on arrival and teachers then make an individual study plan for the duration of the students stay. On completion of their course students are given a Certificate of Attainment. Our Teaching Methodology is communicative. Students are encouraged to improve their fluency and work on all aspects of the language. Our focus is on student progression and teachers encourage students to immerse themselves in the language.

Quality Accommodation: We offer quality accommodation options from executive host family accommodation to the 4-Star Grand Hotel, Malahide with our Golf Vacations Ireland Packages.

Location: Malahide is just 10 minutes from Dublin Airport and 20 minutes from Dublin City Centre. We are located on Dublin's Coastline, and have a beautiful marina and beach. Malahide is one of Ireland's most affluent towns and has numerous pubs & restaurants for you to enjoy in the evenings.
