

## **Policy Name: ICE Green Commitment**

### **Policy Statement:**

The Irish College of English is committed to continually looking at ways that we can limit our environmental impact and become a greener school.

**Person Responsible – Deirdre Rochford – Managing Director**

### **Procedures**

- **No Single Use Plastics**  
Students receive a **reusable water bottle** and we have **water bottle refilling stations** in our schools
- Students receive a **compostable Irish College of English pen**
- **Compostable plastic waste bags** and **green cleaning products**
- Students receive a **cardboard student pack**
  
- **Energy Efficiency**  
Low Energy Light Bulbs
- **Flowers/Plants**  
We have flowers around the outside of our school to encourage bees
- **Recycling**  
We actively encourage recycling and limiting paper use
  
- **Review**  
We will continually review our procedures with the aim of becoming greener.
